**Reason For Allowance**

The following is an examiner's statement of reasons for allowance:  
applicants' claim compounds of general structural formula I and their pharmaceutical compositions;

wherein all the other variables are as defined in the claims were neither found to be obvious nor anticipated by the prior art of record.

Applicants have amended the claims to overcome the 102 rejections. The instant claims are not anticipated nor rendered obvious by WO 98/33798 and US 6,498,163.

A further search of the prior art failed to uncover any reference that taught or motivated one of ordinary skill to disclose compounds of general structural formula I and their compositions as claim by applicants.

**All claims (1-9) are allowed.**

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
